A collage of three images. On the left, a woman with blonde hair is seen from behind, wearing a red sleeveless dress. In the center, a man in a white dress shirt and a red tie is leaning forward, looking towards the camera. On the right, a person's hands are visible as they type on a silver laptop keyboard.

A close-up photograph of a stack of green metal plates, likely brass or copper, with numerous small circular holes punched through them. The plates are engraved with various markings, including serial numbers and letters. The top plate clearly displays the text "EZSS2-A", "02/0", "E460754", "d-2820", "02/0", "610947", and "91". The background is dark, making the green plates stand out.
